

Business & Economy Decarbonisation Routemap

Starting out

Understand carbon and quick wins

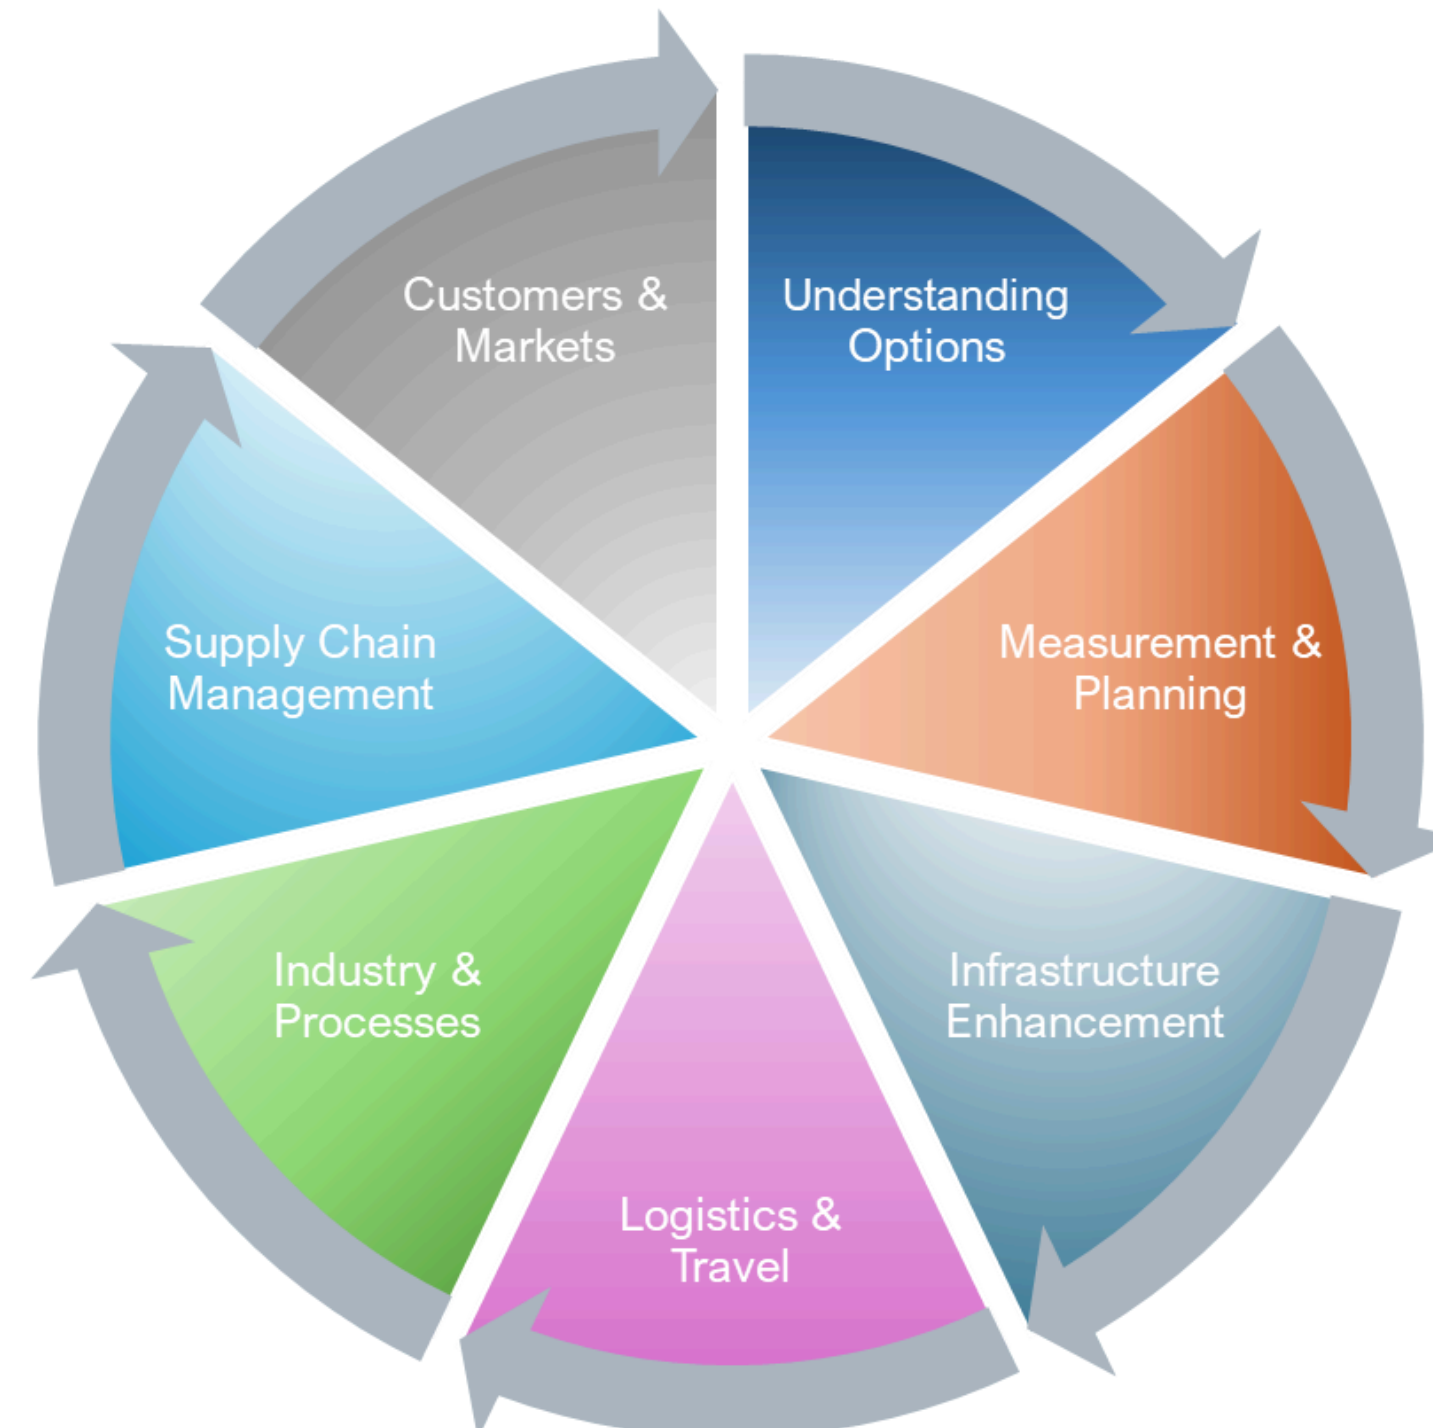

On the journey

Measure, plan, and invest

Leading the way

Innovate and influence others

Link to more info, routemap, and
spread sheet (useful docs)

How to use this

1. Find your journey stage at the top.
2. Pick one or two segments on the wheel.
3. Use the spreadsheet to see actions and support.
4. Start small and build momentum
